

# WINTER TUNE-UP CLASSES

All classes include the student working on their own bike with shop's tools and our guidance. Students should be prepared to get a little greasy... maybe. Shop aprons provided.

## **All classes are 2-hours each on Tuesdays from 6 to 8 p.m.**

Work not completed during the class time can be completed later at the center during regular hours or by appointment.

Class size limited to 3 students each class, due to limited space and number of work-stands.

Each 2-hour session costs \$10, payable at beginning of class. Parts needed will be additional. Must preregister either at the center or through Ed Stewart by phone 440-365-6784 or email emsco514@gmail.com.

## **Basic Tune-Up Class**

Includes bike cleaning, brake adjustment, derailleur adjustment, lubrication, and check for other problems. Students should anticipate this requiring a second session, at no additional cost.

Tuesday, January 7, 6-8

Tuesday, February 4, 6-8
